Clarion Brass Holiday Concert

The melodious strains of Clarion Brass, the renowned ensemble celebrated for its enchanting arrangements and spirited performances, are set to grace the stage once again in a concert presented by KSPS PBS. Under the banner of “This is What Christmas Sounds Like,” the event promises a harmonious voyage through the festive season.

For more than a decade, “This is What Christmas Sounds Like” has been the hallmark of Clarion Brass, and this year’s concert guarantees to uphold that legacy. Guided by the artistic vision of William Berry, the illustrious founder and artistic director of Clarion Brass, who has masterfully composed and arranged all the ensemble’s music, attendees can look forward to a delightful fusion of innovative compositions and arrangements that have not only delighted audiences and musicians but also pushed the boundaries of holiday music.

Dr. Andrea Olsen, making her conducting debut with Clarion Brass, brings a fresh perspective to the ensemble’s dynamic performance. With a roster of 14 accomplished musicians, featuring 4 trumpets, 4 horns, 3 trombones, a tuba, percussion, and conductor, Clarion Brass forms a symphonic ensemble that defies conventions, offering an unforgettable musical experience.

AMONG FRIENDS

Remembering A Love of Brass

A long time ago, in a city far, far away, a little boy found his first love—the French horn (as shown above). We were a 3rd-grade match. I was presented with the instrument because I was big enough to carry it back and forth from home to school. Over the years, I carried the French Horn across Philadelphia—to school, auditions, and rehearsals at all-district and all-city. In fact, had it not been for the French Horn, I wouldn't be the GM of KSPS today (but that's a story for another time).

This December, KSPS is proud and thrilled to present two nights of musical excellence thanks to Spokane's own Clarion Brass. The ensemble will perform over two nights at St.

Aloysius Gonzaga Catholic Church, and we will record the performances, creating a memorable holiday program that our viewers will enjoy for years to come.

Tickets are available now at ksp.org/clarion... and they will be gone quickly (see page 2 for more information). If you haven't had the chance to experience a venue designed to engage the senses and uplift the spirits, this is your opportunity.

For an old (very old) horn player, this is an opportunity that you'll remember for a long time to come. And maybe years from now, another elementary school horn player will also remember what it was like to hear the best of the best—right here at home.

Expanded Giving Opportunities

With the giving season upon us, do you know the multitude of giving opportunities available to our donors?

- **Qualified Distributions from an IRA Account** – If you are at least age 70 ½ you can make a Qualified Charitable Distribution directly from your IRA account which counts toward your annual required minimum distribution, without being counted as tax liable gross income on your tax return.
- **Donor Advised Fund Giving** – By activating these funds which have been designated solely for charitable giving you will make a tangible and immediate difference in our community.
- **Donating Appreciated Assets** – Gifts of stocks, bonds, or mutual funds can be a "tax smart" way to give. Your broker or financial planner can assist you with initiating these gifts.
- **Planned Giving** – Incorporating a charitable bequest in your will or trust is a wonderful way to leave a legacy of philanthropy and community support.
- **Donating a Vehicle** – You can donate an unwanted vehicle such as: a car, truck, boat, RV, or motorcycle, whether your vehicle is running or not, it will power public media! Learn more or begin your vehicle donation at ksp.careasy.org or call 1-844-577-7227

And more! For questions, please email Sarah at sgehman@ksp.org. Thank you so much for all you continue to do to elevate our programming and accessibility throughout our region.
